Please Note: Children of all ages can be tested at our drive-through facilities.

We are unable to accept walk in patients at drive-through facilities. Drive-through facilities must close at times stated.

During periods of high volume we endeavour to notify any patients still queueing if they will not be seen before closing time.

For the welfare and safety of our staff, during periods of severe weather our drive-through locations may temporarily close without notice.

We apologise for any inconvenience this may cause.

Overseas Travel

People travelling overseas must undertake specific COVID-19 travel testing prior to departure.

Travellers can visit consumer.healio.com.au to pay for their travel test and present at our central laboratory in Murarrie for testing.

Please note: Travellers to China must undertake both COVID-19 PCR and COVID-19 IgM testing prior to departure.
