

COVID-19 Testing Locations

Children of all ages can be tested at our drive-through clinics. Check qml.com.au for up-to-date listings.

Please Note: Drive-through locations must close at times stated. During periods of high volume we endeavour to notify any patients still queueing if they will not be seen before closing time. As per strict QLD Government infection control guidelines we are unable to accept walk in patients at drive-through facilities.

For the welfare and safety of our staff, during periods of severe weather our drive-through locations may temporarily close without notice. We apologise for any inconvenience.

Overseas Travel

People travelling overseas must undertake specific COVID-19 travel testing prior to departure.

Travellers can visit consumer.healio.com.au to pay for their travel test and present at our central laboratory in Murarie for testing.

Please note: Travellers to China must undertake both COVID-19 PCR and COVID-19 IgM testing prior to departure.
